1. I can see 10 pages with each have 6 items.
2. I get a faculty list. it reminds me on the old version. It block my search bar!
3. I check my user center.—> No clickable. What if I want to check the messages if somebody contacts with me.
4. All these fields are required.
5. I will search for cs2100. It's already selected. If I do not select it and sore, those unselected ones will disappear.
6. If I click on sort by price. The expensive one will be displayed first. What if I want to sort and see the cheapest one first?
7. What if the textbooks have a very long name. I can not the full name.
8. I want to sell a book, how can I enter the condition? 1-10 fixed by number?
9. I can upload only 4 photos.
10. I want to preview the photos, but click on the photo it disappears.
11. I can't save my post as draft.
